Mr. Weisberg,

My name is Jimmy Stewart, although we have never met I feel as if we are old friends. I too am a non believer of the Warren Report for the last year, I have read everything I could find on the assassination of President Kennedy. You will probably not recall, but I wrote to you a few months back for all of your books & am in the process of reading them now & have just finished CASE OPEN. You were too hard to Posner- you have shown him for what he is, a liar and fraud.

I am in the process of writing a book myself. No. & do not want to impose on you to search your files there are yours and should be protected at all cost.

What I would like from you if possible is any information you have on either MRS RUTH PAINE or A MRS PRICILLA JOHNSTON. I would be more than happy to pay you for your information or feel free to call me collect at the above number. If you could lead me to any articles, books or any thing pertaining to the above two ladies I would be grateful.

I find it very interesting that these two women keep appearing in relation to Oswald at the most convenient of times. Seems as though MRS Paine is always there to look after Marina when Oswald needs to be alone. Ie testimony always differ from one voice & next.

MRS JOHNSTON, as you know, was very helpful to Warren commission when she found five tickets to movies that everyone else missed. Was she perhaps the MRS MOSBY who interviewed Oswald in Russia?

Sounds as though she may be CIA.

Anyways, I hope you can steer me in the right direction & perhaps help me.

I did <u>not</u> read CASE CLOSED because I saw Posner on a NOVA special which I type. I have only begun to study the event, but I knew he was lying right away.

Sorry to hear you are not in the best of health, I truly hope you are getting better each day. Every citizen owes you a great debt. I hope the truth comes out where we both can rejoice.

Thanks for your time

Jimmy Stewart

9-27-94

P.S. I was at the library today made a copy of LIFE 12-6-63 WARREN Report by Ford. I count 24 lies not half truths but lies - how many did I miss?
